CLAIM

The ornamental design for a trailer with integrated hay pod,
as shown and described.

DESCRIPTION

FIG. 1 is a side view in perspective of the trailer with
integrated hay pod showing our new design.

FIG. 2 is a side view of the trailer with integrated hay pod.

FIG. 3 is an opposite side view of the trailer with integrated
hay pod.

FIG. 4 is a front view of the trailer with integrated hay pod.

FIG. 5 is a rear view of the trailer with integrated hay pod.

FIG. 6 is a top view in elevation of the trailer with integrated
hay pod.

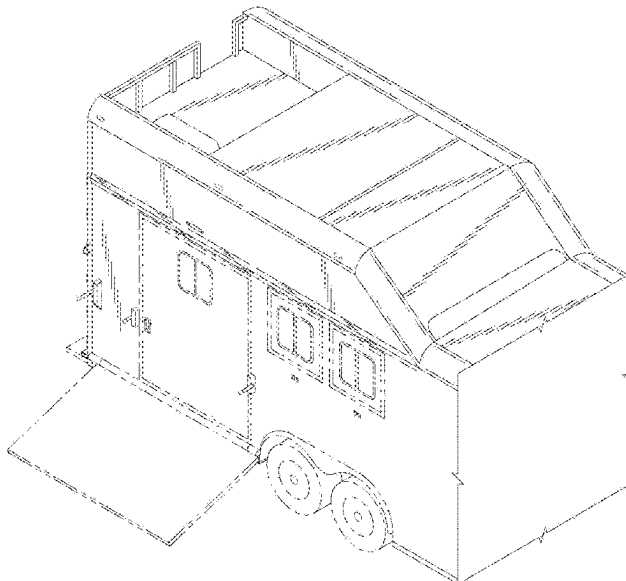

FIG. 7 is a side view of the side showing an alternative
position for the trailer ramp of the trailer with the integrated
hay pod; and,

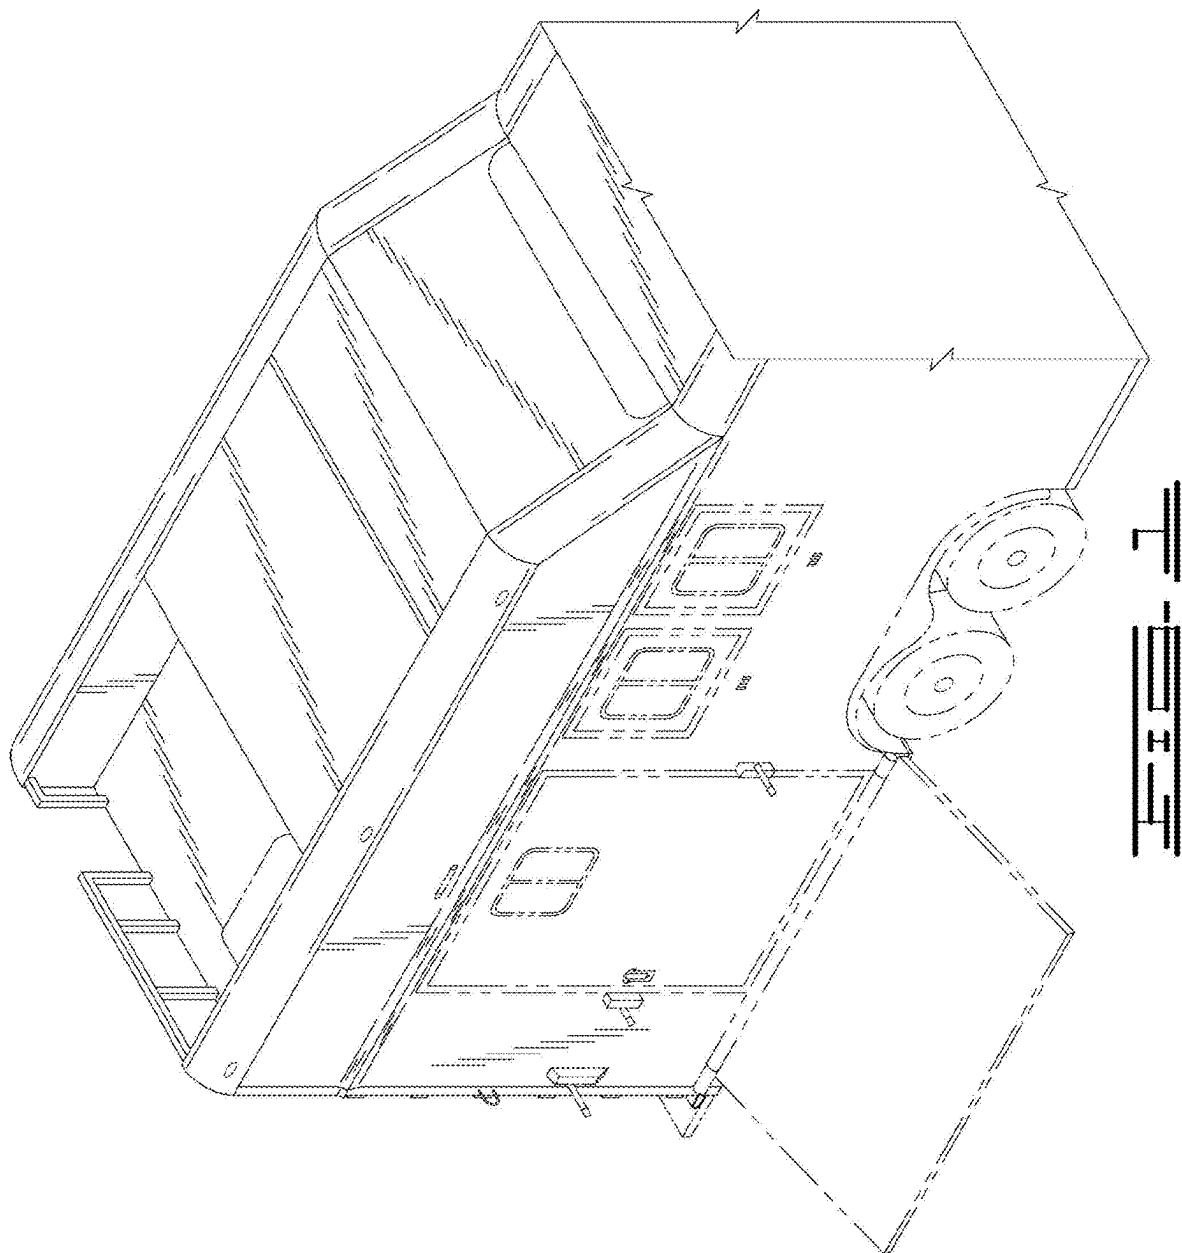

FIG. 8 is an enlarged cross-sectional view of the ridge of
trailer with the integrated hay pod.

The broken lines in the drawing depict portions of the trailer
with integrated hay pod design that form no part of the
claimed design.

The unornamental bottom of the trailer has been omitted.

1 Claim, 6 Drawing Sheets

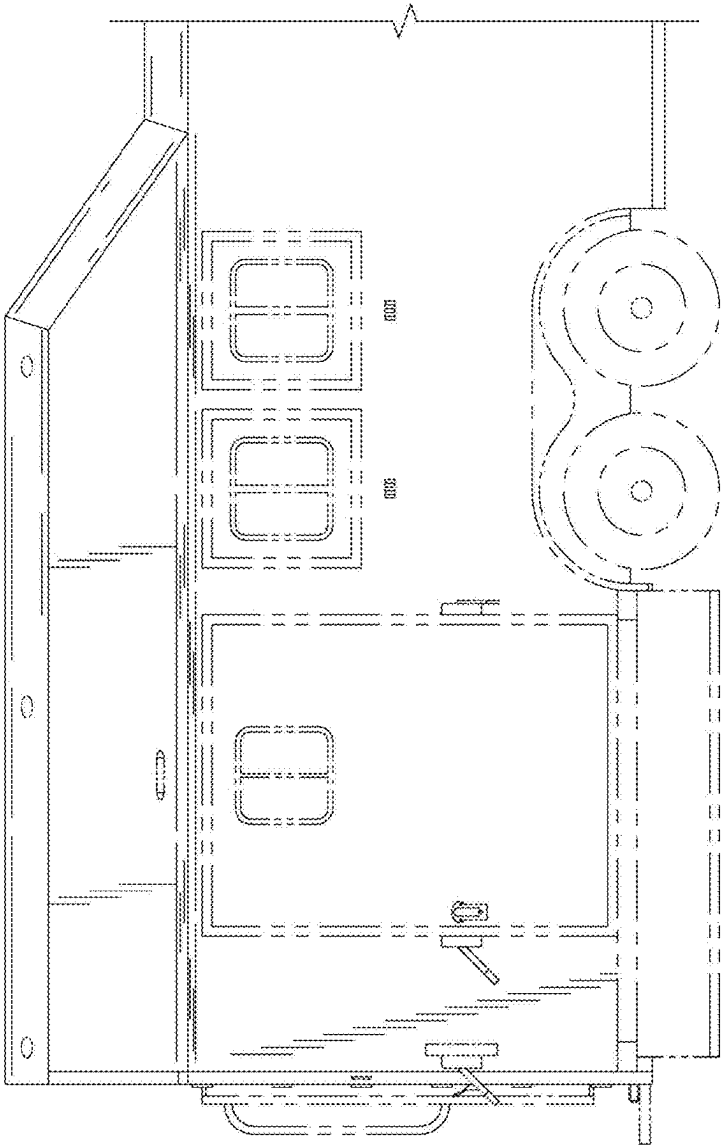

FIG. 2
